

U.S. LEND-LEASE EXPORTS TO CANADA, 1945

Thanks to Don Hillhouse for locating the below document, showing 3500 M1 Carbines and over 1 million rounds of ammo sent to Canada in 1945. The report for 1942 combines small arms, so the number of carbines cannot be determined. The 1943 and 1944 reports have not yet been located. Lend-Lease ended in August 1945. See Newsletters 349 and 381 for more information on carbines to Canada.
